

Dear Parent,

Our Chief Commissioner has asked us to be out and about for Scouts Victoria on the first of August. The first of August is World Scout Day, a really important day within the scouting calendar. Melbourne Region is asking you to come and spread a little cheer on World Scouting Day.

We will be encouraging our Joeys and Cubs and Scouts to give a little flower to families who are out and about around Prahran Market. The flowers have a tag, is two sided and will be as follows:

Join Scouts Today!

Section:	Age:
Joeys	5-8
Cubs	8-12
Scouts	12-15
Venturers	15-18
Rovers	18-26

Spreading a Little Cheer On World Scouts Day

The aim is to spread happiness and get people talking about Scouts. We would love to help increase participation in some of our smaller groups.

On that day, we are asking groups and their youth (THAT'S US) to come and support us in uniform for about an hour, between 10.30 and 12 on Saturday 01 Aug.

Our younger youth will be supported by our older youth and the leaders to approach families who are out and about. It might be mum and dad out for a cup of coffee, or it might be grandma with grandchild or a specific parent or person of importance to young people.

The aim of a beautiful sunflower that on a winter day is simply to make people smile. If our little sunflower causes a smile or it creates a conversation about scouts, then we've done our job.

We will also have flyers and bookmarks to give out on the day.
